

The Eternal Logos

Genesis 1:1 - God created *Ex Nihilo*

Genesis 1:2 - Creation was a chaotic, dark, unreality

Genesis 1:3 - Then God said...

Logos

Greek word for 'word'

God said -

Day	1	2	3	4	5	6
Verse	3	6	9 & 11	14	20	24 & 26

"Let" -

1. Creative Fiats - commands of the will that bring about creation without any other effort.
2. Latin '*Fiat*' - "Let it be done" a binding edict issued by a person in command
3. Revelation 5:1-5 - the only one worthy to open the seals is Christ
4. Revelation 6:12-17 - The darkening of the sun moon and stars

If the Fiat of creation is an edict issued by a person in command and the only one found worthy to retract that command in Christ, who must have given the command to begin with?

1. John 1:1-5 - Jesus is the eternal Word of God
2. John 2:1-5 - Mary commanded the servants to "Do whatever He **says**"
3. Hebrews 1:2; 2:10; 11:3 - Creation was initiated by the Father and executed by the Son.
